SALMON and STEELHEAD anglers may not possess in the field, fish mutilated so that size, species or fin clip cannot be determined, until the angler has reached their automobile or principle means of land transportation and has completed their daily angling. Anglers may fish with either a saltwater, freshwater, or combination license in the waters of the Columbia River between a line from Rocky Point, on the Washington shore, to Tongue Point, on the Oregon shore, and the Buoy 10 line described below. For STURGEON rules in the Columbia River tributaries, see rules for adjoining mainstem waters.
